Welcome to 12steprecovery.com.

The words largest (we are hoping to become) interactive, user driven 12 step online community. I'm Jon M [escalatoraccident] and I'm one of the webmasters for this site. I wanted to take some time to create a help center for all the 12 Step Recovery users and guests. This 12 step help center will be the place where you can find everything you need to know about the site and how to use it. This is important because this is YOUR 12 Step Recovery site. The other admin (Shoutout to Ann P!) and I work to create it and keep it running smoothly, but it's yours. It's up to you guys/girls in the recovery community or you guys/girls just supporting your friends or family in recovery to get online and create the fellowship needed for a successful 12 step online community!

We get alot of questions about 12 Step Recovery. Questions like "How and Why should I join?" and "How do I use this feature or that feature?" So we decided to throw this 12 Step Recovery Help center together. These are some of our top questions right now, so if you have other questions, don't be shy, let us know and we'll do our best to answer all of them.
