hello,

The relationship has ended - turned out one of the things I THOUGHT was just an insecurity was actually a gut feeling and she lied to me about it - SO its over - stupid women

LOL

I'm a stronger person today for it - lots of support from the people in my area and the rooms - and by doing the do's i'll get through it - its alot easier with all the support

GOTO MEETINGS and DON'T USE - GOTO MEETINGS and DON'T USE - GOTO MEETINGS and DON'T USE - GOTO MEETINGS and DON'T USE - GOTO MEETINGS and DON'T USE - GOTO MEETINGS and DON'T USE

and when i get tired of that

DON'T USE and GOTO MEETINGS - DON'T USE and GOTO MEETINGS - DON'T USE and GOTO MEETINGS - DON'T USE and GOTO MEETINGS - DON'T USE and GOTO MEETINGS -

lol
